Upon hearing the testimony of the witnesses the justice bound the defendant over to the district court in the sum of \$500. Immediately following this action by the justice the county attorney filed another complaint against the same defendant. The case was tried in the Justice court of Redmond precinct where a jury found the defendant guilty and was fined \$15 and costs, in all \$35. From this judgment Mr. Jensen has taken an appeal to the district court.

SENSATIONAL RUNAWAY.

A married woman, Mrs. David Hansen, only 15 years of age, and until recently an inmate of the state industrial school and a young girl, Gabriella Seeger, this girl, 14 years of age, have been missing since last week and departed for unknown.

Both were taken by the younger girl, who was then 14 years of age, and the two girls were seen in the company of a man, who was described as being of slender build, wearing a dark suit, a white shirt and a dark tie.

This is the first instance in which a Utah man has received notice of a similar kind. The work on which Hansen secured the recognition was done on commission, and when the boy was taken, he was seen in the company of a man, who was described as being of slender build, wearing a dark suit, a white shirt and a dark tie.

There will, in all probability, be a large crowd at the Salt Lake Theater tomorrow evening on the occasion of Willard Bean's amateur athletic tournament. The manager of the Atheneum A. C. has worked hard for several weeks in perfecting arrangements for tomorrow evening's show, and he is confident that the performance will please everybody who attends, male and female.

Bean says he has managed to bring to his tournament the best amateur talent in the state, and that the entire performance will be clean and interesting, he says that the public will be surprised to see the cleverness with which the boys will be dressed in three-quarterights.

The program includes four boxing bouts between local boxers, a weight class, and when the footbal field was too small to hold the game, it was brought up the hill, and the spectators were invited to watch the game.

There is a great deal of interest manifested in the tournament and a good audience of spectators need not be afraid to go to the games.
